7.1 DEPLOY OBSERVER
Deploy trained and certified observers to vessels or plants.

7.3 ASSIGN TO A VESSEL OR PLANT
Qualified Observers are deployed to a vessel or processing plant for a portion or all of their 90 day contracts. This is the responsibility of the observer provider companies.

7.4 VERIFY TRAINING STATUS
New observers must undergo 3 weeks of intensive instruction. Returning observers receive one to four day briefings.

7.5 VERIFY CONTRACT STATUS
All fishery observers to be deployed must have a current valid contract with an observer provider.
